## CITAC New Exhibition

On 2 January 2020, CITAC launched its third round exhibition with 40 exhibits on display. The new Exhibition features :

- ▶ Internet of Things (IoT) Corner - showcases the cutting-edge sensing technologies, wireless networks, and real-time analytics
- ▶ Artificial Intelligence (AI) Technologies - optimises construction safety, productivity, and compliance
- ▶ Virtual Reality (VR) Cave - experiences an interactive and immersive safety training

In light of the latest development of the Novel Coronavirus Pneumonia outbreak, CITAC is temporarily closed to the public until further notice. Please visit our website or contact us to get more information about our new exhibition.
