### CITAC Website Wins Industry Award

The Communicator Awards is the leading international awards program recognising big ideas in marketing and communications. We are immensely proud to announce that CITAC Website has been given the Award of Excellence, the highest class of honor of Communicator Awards, in the "Construction" and "Education" categories. Let's check out our website now to stay ahead of the wave of construction innovation.

### CITAC New Exhibition

With over 40 exhibits on display, the CITAC 3rd Exhibition features use cases of technologies like the Internet of Things (IoT) Corner, Artificial Intelligence (AI) technologies, Virtual Reality (VR) Cave, and more. Book our guided tours now for a 1.5-hours overview of the latest construction technology landscape.

### CITAC Webinar

Starting from March 2020, CITAC organised 16 webinars with the aims of knowledge sharing and technology product demonstration. We received an overwhelming response and thank you all for your participation.

[Watch relay of past webinars !](#)

Riding on the success of the previous webinars, CITAC will continue to organise webinars on industry-interested and diversified topics. Please stay tuned for further information and mark your calendar accordingly.
