SCITECH CHALLENGE FOR CONSTRUCTION TECHNOLOGY 2020

SciTech Challenge Progress Presentation

Our top 20 contestant teams participated in the Progress Presentation on 17 October 2020. Mentor panel was really impressed by the high quality proposals and the enthusiasm of the contestants. We look forward to meeting the contestant teams again at the Finalist Selection session on 6 November 2020. We are extremely pleased to see the evolution of our contestants, which truly demonstrated the value of our motto - 'Coming together is a beginning, staying together is progress, and working together is success'!

Upcoming Events

CITAC 3rd Anniversary Celebration in November

CITAC x ISRAEL Construction Technology CONFERENCE & B2B

On 9 November, we will kick start our celebration with the CITAC x Israel Construction Technology Conference. Selected Construction Technology start-up from the start-up nation will speak in this conference to share their latest technology development with the Hong Kong Industry practitioners.
